

Brown Bag Talks 2017

***Doctrines of Space:
Molten Pressed
Glass and Digital
Mold Making***

Mark Hursty

(New Media)

Will present multicultural inspirations for forming *Voids* from glass, and images of the new University Teaching Council grant-funded glass kiln in action.

**Thursday
October 19**

12:00pm – 1:00pm

Special Collections Reading Room

Bring your lunch and join your colleagues for this informal presentation and discussion. Light refreshments and beverages will be provided
